Monthly Treasurer's Report

April 30, 2021

Sunny Sethi

Treasurer, Tracy Airport Association Treasurer's report approved.

Old Business: Reading of minutes of last minute which were approved.

Reading of minutes of last meeting. Had a fair amount of discussion of aerobatics box issue and Paula's involvement in problems.

New Business: We need to be proactive in addressing our concerns. John mentioned my email to him and the list of issues TAA has with the airport and the city. John read his email to Paula and discussed specific items from that and her response. Pilot lounge shell sign was done 4 months ago and has not been hung. Electrical issues, water issues, land issue, oil issues, wash rack issues, bathroom issues, etc.

Rental agreements with the city were brought up by Steve Bradford regarding rent increases. A discussion about leases and rents followed. No conclusion was reached. Again, Paula was mentioned as telling people we had a several year waiting list for hangars and discouraging rental of hangars. We decided that there should be a meeting with Brian McDonald soon to address airport tenant and owners concerns. It was suggested that we just go straight to the Mayor and skip intermediate steps. It was mentioned that the aerobatics group 38 is hosting a contest at Coalinga June 4th and 5th.

Motion that the meeting adjourn. 2008, May 11, 2021, Motion seconded.

Adjournment: 2009

Michael Thibodeau.
