Sunny Sethi

Treasurer, Tracy Airport Association Treasurer's report approved.

Old Business: Reading of minutes of last minute which were approved.

New Business: Packets were distributed to all hangars with hint we were interested in oil dump and wash rack and not locked restrooms. So far no response from new tenants. Discussed movie night and incentives for display day and ideas to attract tenants and local area pilots. Question when new bathrooms will be open? The question was asked about Young Eagles and doing flights for them.

We need to make a proposal to Paula regarding the oil dump and solutions and what we can do to help facilitate moving forward.

Further John mentioned he is tripping the main breaker to his hangar. I have had the same experience in my hangar. Discussed the possibility of talking to Paula about the electrical inadequacy of wiring to the hangars, safety issues and responsibility of the lessor.

Discussed the water incursion issue in the hangars and the source of the water, canal, water treatment plant, clay layer and sump pump additions.

Motion that the meeting adjourn. 2015 March 09, 2021 Motion seconded.
