

TAA meeting 20230912 1912

John M – Mike T – Sunny S – Edward F – Denny P – Steve B – Sahej S – Nate - Tony G.

Sunny request sending minutes to list

I suggested I will work with John to add to list and

Denny suggests Michael Carter wants to be treasurer but he's not here

John motion, Sunny second, minutes accepted unanimous.

Denny proposal for discussion to move meeting to Saturday. Maybe on the second Saturday, maybe more attendees. Nate suggest early in the day.

Paula's email. Tony sent an email about potholes.

IAC event, want to it again next year Letter from

IAC. Put on website.

Power outage, was spurred from post on TAA fb post, talking about KSQL community involvement on airport master plan. Tim Silva thinks it's a good idea and may have talked with Paula.

Jay doesn't have a lease for Skyview

Got into discussion about fuel, no changes since 2000.

Many people want to create hangars at the airport but the city always has a way to defeat due to costs incurred to builder

Fuel update. 2-3 days without fuel.

Had a pretty good discussion with Jay about logging tail numbers using ADSB. Tracy won't do because they don't want move to the next level.

Possible solutions, ADSB exchange receiver, ADSB services that already.

Halloween event at Tracy October 28th.

Food truck fly in at e16, John running audio maybe. 21st October

School on downwind got delayed for a year. Paula didn't know about the school. Part of Jefferson school.

Tracy Blvd to first canal south is city responsibility. City keeps allowing illegal dumping.

Nate suggests joining meetings and prioritizing issues with the city.

Transportation meeting Thursday 14th at 7pm at the transit station. Airport business and upcoming projects.

20 from Jake Carter deposit.

Motion, Renewal as of calendar year due in January. Edward second, motion passes.

Report, chapter has about \$6k

Motion to close John 20:15

Mike second, pass unanimous, meeting closed.
