**In attendance:** Ron, Jason Darfus, John Moore, Michael Thibodeau, Steve Bradford, Gary Harding, Alice English, Dan Adams, Jose Suez, Sunny Sethi.

# Monthly Treasurer's Report

July 12, 2022

Sunny Sethi

**Old Business:** Reading of minutes of last minute which were approved. Sunny showed up late but mentioned that there were no changes from previous months.

### **New Business:**

John Moore, discussed the aerobatics competition and that it was fairly successful but not sufficiently marketed to make a real change and contribution to the city of Tracy. The aerobatics people seemed very happy.

Discussed the oil dump tank and obstacles to why that is not able to happen. Brian McDonald will research this issue and inform us as to how we can move forward. We will research who actually had the oil dump closed in the first place. We can undertake the operation and control of the facility to alleviate any misuse of the facility. It was discussed that Paula will resist any forward motion of the oil dump but it is inevitable that it will be eventually be done.

Discussed the upcoming TAC upcoming meeting and some of the issues but it was a little confusing. Discussed airport encroachment.

Ron brought up the dumping issue along Tracy Blvd across from the airport and that it is still an issue. We discussed that the city owns both sides the road and Paula said it is permitted and Brian Mc. said he does not believe that it is legal and condoned by the city. We discussed that we will contribute \$100 to Alice English's campaign for city council.

The city is requiring and would like to see all hangar users, renters and owners, provide proof of insurance for the airplane and indemnifying the city. Why is Andrea doing the insurance work and not Paula?

Why the hangar letter addresses are not properly painted on the buildings. Discussed why no attention to detail of deficiencies on the airport.

Motion that the meeting adjourn. 1947, July, 12 2022, Motion seconded.

**Adjournment: 1947**

Michael Thibodeau.  
Secretary TAA
