

Date: June 09, 2020

Location: Lobby Skyview Aviation, 5749 S Tracy Blvd Tracy, CA 95377

Call to order: 1904

In attendance: John Moore, Gary Harding, Conchita, Richard, Michael T, Steve Bradford, Julius Frank

Treasurers Report Approval: Monthly Treasurer's Report

Sunny Sethi, Treasurer, Tracy Airport Association Treasurer's report approved.

New Business:

Minutes of previous meeting motioned and approved.

Planning another movie night plus BBQ but as yet date undecided. Electric go carts will be available for whomever wants to play!

Discussed another fly out and possible destinations but no consensus! Pine Mountain Lake, Columbia, Kern Valley, Half Moon Bay or wherever, Petaluma, Santa Rosa?

Vintage display day, various ideas to attract more public and airport support. Date is June 27th. Do we offer food, maybe? We can allocate up to \$100 for promotion of the event. Do we need City input?

Other business: We do have a buy and sell on the TAA Facebook for sale of equipment.

Fuel situation: Large price increase due to demand and cost increases to us. We will wait until next load to hopefully get lower prices. Byron or Oakdale are alternatives.

Richard stated he is looking at Vashon Ranger aircraft to replace or augment his existing training fleet. Will examine them tomorrow. This is a 2 seater.

Motion to adjourn 1753 and approved.

Adjournment:

Michael Thibodeau.

Secretary TAA
