

Date: February 08, 2022

Location: Skyview Aviation Lobby, 5749 S Tracy Blvd Tracy, CA 95377

Call to order: 1900

In attendance: Jose Suez, Sunny Sethi, Montek Sethi, John Moore, Tony, Justin, Michael T. Mr. Bradford, Conchita, Richard, Jose Suez, Edward Fry

Monthly Treasurer's Report: January 08, 2022

Treasurer's report approved.

Minutes of previous meetings approved.

Discussed oil dump issue, again, and wash rack. A lively discussion was had by all. It was mentioned that we need a wash rack to meet FAA requirements for aircraft washing. We have received FAA grant money. We discussed the upcoming aerobatics competition and Paula's ongoing resistance to having the event in Tracy. It was reported by Richard she has continually opposed all efforts to have the competition in Tracy. However, it is going on as scheduled despite the resistance.

Richard discussed that they have sold Sky View Aviation but will be here for another year and still be around generally for our monthly periodic Swedish lessons! Julius and Deanna called in to try and get credit for the meeting but that was unsuccessful.

The on-going electrical problem continues with Denny mentioning that the electrical charges were dollar cost averaging. The question was posed if the airport lights are included in the hangar electrical charges? Are the hangars metered each row separately? Are the hangars completely isolated and metered from the rest of the of the airport grid?

The discussion was had about Cal-pilots becoming involved in our "situation". Carol Ford should be informed of our situation in Tracy. The comment was made that she and our beloved airport manager are close. It was suggested that we go to the next Cal-Pilots meeting in wherever. It was moved that we send representation to Cal pilots and they are be invited here to continue the discussion of the airport situation.

Motion to adjourn, 2005 02/08/2022

Motioned seconded, Steve Bradford

Adjournment: 2005

Michael Thibodeau.
Secretary TAA
