We discussed what the draw would be to attract people to the event. JM stated he would advertise on FB for a good radius from here. Talked about inviting other pilot associations to our events.

Denny asked about an individual asking about city insurance liability, commercial activities. We discussed power usage for new tenants and that it was prohibitive to have a commercial operation due to the lack of power monitoring and distribution.

Alice brought a guest, who is starting a chapter of Tuskegee Airmen, 10 to 17 to 45 to introduce people to aviation. Beginning with drones and then continue to airplane exposure and ultimately a flying

career. He is working with Tracy PD on this program. Geary Mckoy was the guest. We discussed various ideas to further his program. I mentioned Byron Airport and the glider program and the opportunities.
